

REMARKS

This Response is considered fully responsive to the Office Action mailed March 22, 2007. Claims 21-27, 29-41, 43-49, 65, 76-87, 91-100, 103, and 104 are pending in the application. Claims 21-27, 29-41, 43-49, 65, 76-87, 91-99, 103, and 104 are allowed. Claim 100 was objected to for an alleged informality. In this Response, claim 100 is rewritten in independent form in order to satisfy the Examiner and is not made for any purpose related to patentability.

Applicant has fully responded to each and every objection and rejection in the Office action dated March 22, 2007 and believes that each of the pending claims are in a condition for allowance. Applicant therefore requests that a timely Notice of Allowance be issued in this case.

The Applicant believes no other fees or petitions are due with this filing since rewriting claim 100 in independent form has resulted in fewer independent claims than the total for which fees have previously been paid. However, should any such fees or petitions be required, please consider this a request therefore and authorization to charge Deposit Account No. 50-3199 as necessary.

If the Examiner should require any additional information or believes any issues could be resolved via a telephone conference the Examiner is invited to contact the undersigned at the telephone number listed below.
